RESPONSE TO NOTICE OF ABANDONMENT

Sir:

This is responsive to the U.S. Patent Office communication of Notice of Abandonment in the above-identified application mailed August 23, 2005.

The application was unintentionally abandoned for Applicants' failure to file a fully responsive reply to the USPTO Office Communication dated November 29, 2004.

The following replacement pages of the specification are marked to show the changes reflecting canceled Figures 5-15. (Pages 7, 8, 12, 14, 18-23, 26-28, 31 and 34 have been amended; pages 13, 15, 16, 17, 24, 25, 29, 30, 32 and 33 of the specification have been deleted.)

Attached to this Response is a clean version of the specification as required under 37 CFR 1.125 since there were extensive amendments.
